Confidential

The content of this report is the property of the South African Civil Aviation Authority and the document nor any part may be distributed to any persons or organisations not entitled to be in possession of the report.

This report or parts thereof may not be copied except for utilisation by the company in compliance with the recommendations and findings contained in the report.

PART ONE: INTRODUCTION

The purpose of this report is to provide feedback on the approval of the procedure for prevention of spread of COVID-19 for Airlines and Charter Operators, in terms of SA CARS Parts 121,127, 135 and 138 and associated SA CATS.

PART TWO: SUMMARY OF PROCEDURE REVIEWED

GENERAL

Herewith a brief summary of the areas reviewed:

Special procedures for the prevention and control of COVID 19 for special transportation charter flight missions, for the repatriation of foreign citizens and evacuation of South Africans for domestic and international flights and risk assessment

AVIATION ENFORCEMENT

Aviation Enforcement routinely reviews reports and any findings that constitute a breach of regulations or non-compliance may result in enforcement action.

PART THREE: CONCLUSION

Airline/Operators procedure is approved.

This is subject to:

1. Planned and/or adhoc audits and ramp inspections that will be conducted in line with the SA-CARS, Guidelines and Operator's approved procedure.

We wish to emphasize the SACAA's desire to be of service at all times and will offer any help or advice wherever possible.

Yours respectfully,

Dr C Molokomme
